1 of 1 review helpful A shocking yet excellent book By Charles Ota Heller I just finished reading this most disturbing and outstanding book As a boy hiding from the Nazis throughout World War II I dreamed of a country where people were decent and free and whose sons were fighting to defeat our oppressors To me the United States was ldquo the shining city on the hill rdquo Of course as an adult I learned that m The shocking story of how America became one of the world rsquo s safest postwar havens for Nazis Lichtblau brings ample investigative skills and an elegant writing style to this unsavory but important story The Nazis Next Door is a captivating book rooted in first rate research mdash The New York Times Book A
