95 of 101 review helpful I love European history By Tony Meyer Received my pre ordered copy a few days ago am almost half way through and I ve already learned an enormous amount Before Mr Wilson s work i never understood much about the Holy Roman Empire and this fine book is no less then a masterpiece I read Germany and the Holy Roman Empire volumes I II Ox The Holy Roman Empire lasted a thousand years far longer than ancient Rome Yet this formidable dominion never inspired the awe of its predecessor Voltaire distilled the disdain of generations when he quipped it was neither holy Roman nor an empire Yet as Peter Wilson shows the Holy Roman Empire tells a millennial story of Europe better than the histories of individual nation states And its legacy can be seen today in debates over the nature of the European Uni If like most people you know little more about the Holy Roman Empire than Voltaire rsquo s bon mot that it lsquo was neither holy nor Roman nor an empire rsquo then this is the book for you In his masterly study of the original lsquo 1 000 year Rei
