the Me109 to the Me262:

3 of 3 review helpful Superb By Antonio Luis Sapienza An excellent and very detailed autobiography of this Luftwaffe ace Highly recommendable 0 of 0 review helpful Me262 Not to say the Me109 wasn't a fine aircraft for its time By LARRY SHERRILL The first true jet fighter had Hitler been a scholar early in 1940s we just might be speaking German now Ha Ha Luftwaffe pilot Walter Schuck flew the Me109 in the Arctic Sea fighter squadrons becoming the Russian air force's feared enemy in the far north Awarded the Knights Cross in April 1944 he claimed his 100th kill in June of that year then barely 48 hours later shot down 12 aircraft in one day a record never achieved by any other Arctic Sea pilot Celebrated by his colleagues for his skill courage sheer guts and chivalry including the deep feelings for those he shot I wholeheartedly recommend this book to anyone interested in the WW II air war Fluid text excellent translation and a genuinely interesting story make this a great read Paul Mahoney IPMS USA 2016 02 04 From the Insi
