Fräuleins: The German-American Encounter in 1950s West Germany:

3 of 3 review helpful Very enlightening By Nancy M Morales I bought this book because my half sister who was given up for adoption after she was born and was raised in Germany told me that the woman in this picture was my mom I didn't have a good relationship with my mom but this book is helping me to understand what it must have been like for her growing up in post WWII Germany My mom met my dad when he was in the With the outbreak of the Korean War the poor rural West German state of Rhineland Palatinate became home to some of the largest American military installations outside the United States In GIs and Frauleins Maria Hohn offers a rich social history of this German American encounter and provides new insights into how West Germans negotiated their transition from National Socialism to a consumer democracy during the 1950s Focusing on the conserv Recasts the terms of debate over the legacies of Nazism and the persistence of antisemitism deepens our understanding of processes of Americanization and secularization and makes sense of 1950s West Germans distinctive contradictory mix of punitive and tole
