**By Joachim Meyer : The Art of Sword Combat: A 1568 German Treatise on Swordmanship** The Art of Sword Combat: A 1568 German Treatise on Swordmanship:

Following the success of Jeffrey L. Forgeng's translation of Joachim Meyer's *The Art of Sword Combat* the author was alerted to an earlier recension of the work which was discovered in Lund University Library in Sweden. The manuscript produced in Strassburg around 1568 is illustrated with thirty watercolor images and seven ink diagrams. The text covers combat with the long sword hand and a half sword (dusack) a one handed practice weapon.
