By Stephen Brockmann : A Critical History of German Film (Studies in German Literature Linguistics and Culture) compendium of all course descriptions for courses available at reynolds community college the art and art

history department offers courses of study in the history of art the practice of studio art and film and media studies the undergraduate program is A Critical History of German Film (Studies in German Literature Linguistics and Culture):

1 of 1 review helpful It s an awesome book I learned a lot By Customer This book was for a college class It s an awesome book I learned a lot I also got an A in this class 0 of 2 review helpful Definitive By Richard J Rundell This is a terrific overview of German cinema It is thorough and well researched It will probably need an updated edition as al A history of German film dealing with individual films as works of art has long been needed Existing histories tend to treat cinema as an economic rather than an aesthetic phenomenon earlier surveys that do engage with individual films do not include films of recent decades This book treats representative films from the beginnings of German film to the present Providing historical context through an introduction and interchapters preceding the treatments of each era T typical of Brockmann s work in its ambition its eye for key details and its nuanced appreciation of cultural texts However most impressive of all given the amount of material he covers is its readability The volume has a wonderfully accessible style t
