The Hungarian Minority of Transylvania: A First Assessment of the Transition Period 1990-2007 (Prager Schriften zur Zeitgeschichte und zum Zeitgeschehen):

The Hungarian Minority of Transylvania gives an overview of the Hungarian minority's situation between the end of Communism and Romania's entry into the EU. In the historical foreword the author sets the scenes while re-creating the dialectic relation between both nations. The author also provides a theoretical background on minority rights with the goal to define to which minority sub-category belongs the Hungarian minority of Romania. The third section is about the author. Nicolas Franckx was born in Brussels where he studied English and Russian to become a translator. He then worked for two years as a French language and Belgian culture lecturer at Masaryk University in Brno, Czech Republic and later on in Brno.
